

BROKER PORTAL

ADVANCED TECHNOLOGY

One of the advantages of partnering with Dominion Mortgage is our technology.

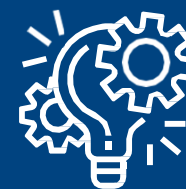

The Broker Portal for Dominion Mortgage streamlines communication for our broker partners and it enhances their overall experience with our brand.

A key feature that's available through Broker Portal is the ability to upload and retrieve documents with ease. This functionality ensures you and your dedicated Underwriting Team are well organized and well positioned to progress our deals forward. See below for a step by step process on how easy it is to use this feature.

EXPERIENCE THE DIFFERENCE

The Broker Portal is:

- A gateway to upload and retrieve documents effortlessly
- A one-stop solution for viewing deal status, deal summaries, conditions and documents
- A platform for brokers to communicate with the Credit Team and receive a response within our standard 4 hour SLA.

With our broker portal, it's
simple, convenient and effective!
